EXHIBIT REQUIREMENTS

Materials (signs, TV monitors, magazine racks, etc.) must be placed on the table or behind it and may not exceed a total height of eight feet (as measured from the floor). The total combined width of materials located behind the table may not exceed six feet. The depth of materials placed behind the table (including video carts/platforms) must not exceed 24 inches. You also may not affix anything to the walls. You are prohibited from placing items in front of or next to the table. Exceptions may apply for certain sponsorships.
